The pre-screening activity is non-binding and an initiative of the BBAC to assist the bidders in completing the requirements stated in the bid documents, but the BBAC would not commit to the accuracy

of the documents presented during the pre-screening since suppliers may submit different documents during the Submission and Opening of the Bids. The suppliers must ensure that the contents of their bids are complete and whatever they submit during the Opening of the Bids will be final.

- Final bids shall be limited to two (2) decimal points only; a third decimal shall be rounded off to the nearest tenths of a hundred for ranking of Lowest Calculated Bid.
