

Philippine Amusement and Gaming Corporation

Quality Policy

PAGCOR is committed to uphold the integrity and legality of gaming operations in the country, implement a fair industry regulatory framework, and remain as one of the government's responsible partners in nation-building.

To achieve this commitment, we shall:

Generate funds for nation-building through the conduct of transparent and responsible gaming operations and regulations;

Work as a team to provide quality service eliminating bureaucratic red tape at all levels, with utmost professionalism and dedication for all our stakeholders;

Guarantee a level playing field among all industry players;

Promote the welfare of all our employees; and

Comply with ISO 9001 requirements and continuously improve the effectiveness of PAGCOR's Quality Management System.
