We undertake to comply with the following guidelines on game offering under Regulation 7 of the Gaming Site Regulatory Manual and post the required Performance Cash Deposit and Betting Credit Fund (for Electronic Games) for the new game offering prior to its commencement of operation:

- (a) For introduction of game offering:
- Introduction of new game offering at the gaming site must comply with the distance restriction to another gaming site with the same game offering.
 - New game offering shall be deployed at the existing gaming site or in the same building where the existing gaming site is located.
 - Should the introduction or removal of game offering require temporary closure of the gaming site, the Operator shall submit the duly accomplished Temporary Suspension of Operations Form (GS Form No. 6) for approval.
 - If suspension affects some gaming terminals, a project timetable is attached which includes the schedule of gaming terminal suspension in the affected areas.
 - The Operator shall conduct a pre-operational testing on newly installed electronic gaming system/s, network connectivity, electronic gaming terminals or machines and other gaming equipment, and shall ensure their readiness prior to gaming operation.
 - The Operator shall notify EG/EBLD of the readiness of the gaming system and machines/terminals for the conduct of pre-operational testing.
 - The installation of the electronic gaming/betting/bingo terminals/machines into operation shall be closely coordinated with Compliance Monitoring and Enforcement Department (CMED) and its representative/s.
 - The Operator shall submit a copy of amended Business Permit of the existing gaming site to cover the new game offering.
