We confirm and undertake to do the following:

- The Operator shall ensure that the above gaming system, games and/or machines comply with the technical standards and requirements prescribed in Regulations 8 and 9 of the Gaming Site Regulatory Manual.
- The Operator (for bingo games) or Service Provider (for electronic games) shall provide a test environment where it shall conduct testing on the electronic bingo system/ electronic gaming system. EG/EBLD representative/s shall observe the conduct of such testing. A certification duly signed by the Operator and Supplier (for bingo games) or Service Provider and Content Provider (for electronic games) shall be submitted signifying that test results in the test environment are compliant with subsection (c) under Section 2 of Regulation 8 of the GSRM.
- The Operator (for bingo games)/ Service Provider (for electronic games) agrees that any deviation from the submitted certifications above may result to suspension of the upgraded electronic gaming/bingo system from the electronic gaming/bingo operation. Any loss incurred due to such remiss shall be solely shouldered by the Operator/Service Provider.
- The Operator/ Service Provider shall not make any change to the parameter settings of any electronic game/electronic bingo game (i.e. bet denomination, minimum or maximum bet, number of bet credits allowed, progressive system groupings, RTP percentage) unless notification/approval is submitted to EG/EBLD.
