We confirm and undertake to do the following, as applicable:

- The attached documentation/s for new or modified bingo program which include prize payout scheme/s, bingo game rules and mechanics, among others, are consistent with standards for bingo program prescribed under Regulation 10 of Gaming Site Regulatory Manual (Bingo Games).
- The prizes in each bingo game in any bingo session of the bingo program shall be at least thirty percent (30%) of the projected gross receipts from the sale of package cards and extra cards.
- The Operator warrants that new bingo program/s or modification/s made to bingo program/s is/are not inconsistent with the PAGCOR's prescribed guidelines on bingo programs.
- Bingo program along with its modification/s, if any, shall be made available to all players prior to the start of the bingo operations for the day.
- The Operator is committed to abide and pursue the amendments as initiated and notified to PAGCOR.
- No amended bingo program or change of bingo program shall be implemented until the jackpot prize in a current regular bingo game or special game with high ball level is won. High ball level refers to the number of balls at which the probability of winning or chances the prize will be won is great.
- The progressive jackpot prize with fixed ball bracket of a particular game shall be maintained.
- Pre-approved prize payout scheme/s and game rules and mechanics shall apply for each change of bingo program.
- The Operator agrees that conduct and operation of Bingo link shall be governed by the procedural guidelines as prescribed in Part II – Bingo Games via Closed Circuit Television (CCTV) and Computer Links of B. Traditional Bingo under Regulation 18 of Gaming Site Regulatory Manual (Bingo Games).
- The implementation of the new bingo program/component, modified bingo program or change of bingo program or installation of Bingo Link shall be carried out in close coordination CMED.
