**CRITERIA/REQUIREMENTS FOR A GAMING SITE
For Poker Games**

1. Not less than 200 m from schools and places of worship/churches

- Schools referred herein will be the educational institutions duly registered with the Department of Education (DepEd) and Commission on Higher Education (CHED).
- Not less than 200 m from schools and places of worship/churches
- The 200m distance requirement will apply to all places of worship, with the latter referring to stand-alone place of worship holding at least 1 day of regular worship or service in a week.
- The 200m distance restriction to the proposed gaming site will be waived if the proposed gaming site is located in the same street address of an existing gaming site provided said existing gaming site has a valid Business Permit from LGU.

2. Not less than the radial distance requirement from another PAGCOR-authorized gaming site, as approved by the PAGCOR Board, except for the following:

- When both the proposed gaming site and the other gaming site have the same street address. However, a gaming site shall not host the same gaming activity being offered at the other gaming site.
- The applicable distance restriction shall be posted at the Electronic Gaming and Poker page in the PAGCOR website's Regulatory link.

Note:

The distance restrictions/requirements as provided for under Item nos. 1 and 2 above shall not apply to malls/arcades and three (3)-star hotels and resorts accredited by the Department of Tourism.

3. Measurement of Distance – in relation to items 1 and 2 above

- From proposed gaming site to church and schools—radial or point to point straight distance from property line to property line shall be used. If the proposed gaming site is inside a mall, distance shall be measured from the exact location of the gaming site to the property line of the school/church.
- From proposed gaming site to another gaming site - measured radially from property line to property line except if gaming site is in a mall, in which case its exact location is used as reference point. Distance of proposed poker club from another poker club shall be measured using access roads.
- In measuring distance, Applicant must use either google maps or wikimapia. In measuring distance using access roads, the vehicular odometer may be used.

4. Gaming Site Location (Type of Establishment) /Area—the following are the types of establishments and areas where a gaming site shall be located; no stand-alone gaming site will be allowed.

a. Within malls/arcades

- These are commercial buildings where majority of the located establishments provide retail sales, leisure and entertainment to customers.
- Gaming site must be within the mall's general premises. This may include non-connected annexes that have similar leisure and entertainment establishments as that of the mall

(restaurants, etc). Typically, annex area will belong to the same complex or share the same parking area of the mall.

b. General and Commercial Buildings:

- Address classified by LGU Zoning Body as a commercial building.
- Multi-door building where tenants provide commercial services (retail, distribution, services, banking, banking,
- food, etc).
- Building should not be located beside or across informal settler dwellings.
- Building will allow signage at outlet's façade.
- Mixed-use Commercial/Residential Condominium buildings are classified under this category. For these types of buildings, the proposed gaming site must be located in the commercial area (normally the lower floors).
- Building must either have a supplied generator or allow the gaming site to have its own generator

c. Hotels / Resorts

- Proposed gaming site must be located inside the building or within the same complex/premises as the Hotel / Resort.
- Proposed gaming site must be located in an identified commercial space of the hotel (as opposed to guest rooms).

5. If there is an LGU resolution on specific guidelines on the establishment of gaming site, such guidelines must be complied with. The Applicant's compliance with said guidelines does not dispense with its fulfillment of PAGCOR's requirements stated herein.

6. Gaming Site area requirement - must accommodate a minimum of 4 poker tables
