1. Deletion of Section 1 (b) of the GSRMs which requires the certification of continuing validity of LONO requirement, and
2. Deletion of the second paragraph under Section 1 (a) of the GSRM for Poker Games which states that, if LONO is not yet available at the time of application, the applicant must submit a copy of duly received application with the Council and a letter of consent from the Mayor, in order to be consistent with the Local Government Unit (LGU) requirements for all gaming activities, i.e. electronic, bingo and poker games.

The aforementioned amendments shall be applicable, as specified, to the following regulatory manuals:

1. Gaming Site Regulatory Manual version 3.0 (Electronic Games);
