FOR : THE GENERAL MANAGER, CF-ANGELES  
ATTENTION : THE ACTING SR. FACILITIES MANAGEMENT OFFICER  
FROM : THE ASSISTANT VICE PRESIDENT  
SUBJECT : ELECTRO-MECHANICAL AUDIT (EMA)

Pursuant to your Job Request dated January 16, 2020, FMED's Engineering Division is scheduled to conduct an Electro-Mechanical Audit at CF- Angeles, from January 27 to February 3, 2020.

This audit activity will cover a walk through and inspection of all energy consuming electro-mechanical equipment of the casino. Following the Audit Plan (see attached), the Audit Team aims to provide the branch with an assessment and status of electro-mechanical equipment.

The team is composed of technical staff headed by Engr. Alejandro Bentilanon Jr. who will brief you on the scope of works to be undertaken at the start of the activity.

Should you have questions on the audit, you may contact Engr. Rommel C. Blen, Senior Engineering Officer at telephone number (02)755-3199 locals 3208.

Thank you.
